Aerial View

Greenvale Lakes is an exclusive residential estate 25km north of Melbourne's CBD that will be home to around 2,400 families.

Peet's Greenvale Lakes Estate is located in an enviable position wrapped around part of the Greenvale Reservoir. The estate includes attractive elevated land with breathtaking panoramic views.

Many families will be attracted by outstanding design and many greenbelt parks planned for the new estate coupled with its excellent location close to schools, shops and sporting facilities.

Beautiful parks and a variety of recreational facilities including swimming, aerobics, a fully equipped gym and a range of indoor sports are located minutes away.
